FIRST NAME:

LAST NAME:

OF CREDITS COMPLETED:

SELF REPORTED CUMULATIVE GPA:

1. A minimum of two semesters of fulltime enrollment in **B.S. of Civil and Environmental Engineering** program at UNLV is required.
2. Undergraduate students with a minimum of **90 credit hours** and a **3.2 or higher overall GPA** may enroll in this program.
3. Up to **6 credit hours** of approved graduate-level course work can be taken as technical electives for the **grade of B or better** during the senior year and **those credit hours will be waived for the graduate degree**.
4. Students may be released from up to 6 credits of classes towards completion of the M.S.E. degree as long as the grades in the courses are a B or better and average G.P.A for these classes taken as part of the undergraduate program is a 3.0 or above.
5. Students need to apply the graduate program admission during the senior year.
6. Students need to fulfill all MSE Thesis track program requirements (Non-Thesis option is not allowed) during the graduate study year.

I have read and understand the policies listed above, and I meet all requirements for enrolling in the Integrated BS-MSE Thesis Track Program as an undergraduate student.

If you do not meet these requirements, you are NOT eligible to enroll in the Integrated BS-MSE Thesis Track Program and should not complete this form.

NOTE: If this form is approved then you are able to register 600- or 700-level graduate courses. If you receive a prerequisite error when attempting to enroll, you can contact the department to resolve it.
