UNLV | GRADUATE COLLEGE

Abstract

- Including the Abstract is **required**

- Must start on the following page number: lower case Roman numeral **iii**

- The page number **iii** must be at the bottom center of the page and be consistent with the font style and size of the rest of the document text

- Must be double-spaced and the margins must be 1" on all sides (top, bottom, right, left)

- The font size, style, and type must be consistent with the rest of the document.

- The primary/major section header (Abstract) must be consistent with the font size, style, and type of the rest of the primary/major section headers and chapter titles

- All other formatting must be to the requirements of your discipline's style guide or style that the thesis or dissertation committee members agreed upon
