II. User Definitions

A. The following is how SUES defines different types of users:

1. **Registered Student Organization (RSO):** Any student group that has met the guidelines set forth for registration by the Student Involvement & Activities (SIA) office.
2. **University Student Organization:** Recognized university organizations are a group of students who are directly affiliated with the mission of a University of Nevada, Las Vegas (UNLV) department or functional area. These groups have dedicated staff and student members who are documented volunteers or employees of the University (e.g. CSUN student government).
3. **University Department:** A group that is affiliated with UNLV (ex: college, administrative unit) but is not a RSO or University Organization.

4. **Non-University:** A group that is not affiliated with or is external to UNLV; for-profit, nonprofit and government groups are examples of non-university organizations.
5. **UNLV Student** (not affiliated with an RSO): Any UNLV student reserving space for a UNLV Academic-related Event (ex: study hours, presentation).

III. Tiers, Discounts & Fees

A. SUES utilizes “Tiers” to identify the appropriate fees and discounts to be applied to all Reservations; tiers and associated fees/discounts are prioritized by who we serve and where our funding comes from (ex: student fees, student organizations, University goals/initiatives). Any events that change in nature during the planning process will be adjusted accordingly to the corresponding Tier (whether to a lower or higher Tier) and any group that misrepresents itself will be assigned the appropriate Tier.

1. **Tier 1:** Student Organizations; UNLV Student; Internal Student Life Events
 - a. Event is submitted, organized and developed by a UNLV student, student organization, or is internal to Student Life (ex: internal staff training/celebration, not an open event/meeting).
 - b. UNLV student and student organization events require the student(s) to be present and engaged in the planning and execution of the event and funding/payment made by regular student or student organization methods.
 - c. UNLV students reserving space for a UNLV academic-related activity that is not included in the established curriculum of semesterly classes (e.g., Capstones, panel discussion) must supply a valid NSHE ID number to confirm their reservation.
 - d. Primary audience (defined as the majority) is the UNLV community.
 - e. Fundraising and/or drives (ex: blood drive, Relay for Life) for the benefit of the Student Organization or identified cause/philanthropy are considered a normal function of RSOs and therefore are eligible for this Tier.
 - f. There are no partnerships at this tier except with other student organizations; partnerships fall under other tiers.
2. **Tier 2:** University Organizations; University Departments; Student Union Building Partners; NSHE Umbrella
 - a. Event is submitted, organized and developed by a University Organization, University Department, Student Union Building Partner, or entity under the NSHE Umbrella.
 - b. University Organizations and University Departments will be billed out of the UNLV department program code (IDR); Building Partners and NSHE entities may pay via Check, Credit, or ACH.
 - c. Primary audience (defined as the majority) is the UNLV community.
 - d. Student Organizations partnering with University Organizations or University Departments fall under this Tier.

- e. Student Life reservations for department events that are not internal (Tier 1), wherein the event is open to the campus, public, etc. fall under this Tier.
3. **Tier 3: External Partnership; Non-UNLV Focused**
 - a. Student Organization, UNLV Student, University Organization or University department collaborates with an external association (ex: to host a conference on campus)
 - b. Primary audience (defined as the majority) is not current or incoming UNLV students and/or faculty & staff
 - c. Members of the Student Organization, University Organization or University department shall be present and engaged in the planning and execution of the event; and assume responsibility for fees and charges.
 4. **Tier 4: Non-Profit Organizations**
 Proof of non-profit status must be submitted in order to be assigned this Tier and receive related discounts. Any of the following is acceptable evidence of nonprofit status:
 - a certified copy of the organization’s certificate of incorporation or similar document that clearly establishes nonprofit status;
 - a reference to the organization’s listing in the Internal Revenue Service’s (IRS) most recent list of tax-exempt organizations described in section 501(c)(3) of the IRS code;
 - a copy of a currently valid IRS tax exemption certificate;
 - a statement from a State taxing body, State Attorney General, or other appropriate State Official certifying that the applicant organization has a nonprofit status and that none of the net earnings accrue to any private shareholders or individuals;
 - any of the above proof for a State or national parent organization and a statement signed by the parent organization that the applicant organization is a local nonprofit affiliate.
