Total Credits at UNLV: 60

Degree Total: 120

Director's Note: A minimum of 38 upper division credits required. Maximize course options at CSN with gen ed and open electives.

Program Specific Information

All students must complete 1,000 hours of work experience in the hospitality industry. It is highly recommended that a portion of these hours be dedicated to the student's concentration (if applicable), to facilitate entry into that segment of the industry after graduation.

Hospitality Electives (9 Credits)

HMD 202, 203, 226 or GAM 225 are strongly recommended. Any CUL, any FAB, any GAM, any HMD (except any HMD course listed in the Hospitality Core Requirements area), any TCA (except TCA 221)

International Students

Transfer equivalent courses to UNLV's ENG 101/113 are not accepted as proof of English proficiency. Must complete testing (i.e., TOEFL).

Transfer Policies:

REVISED 50/50 RULE
- The policy stating that UNLV will only accept up to 60 credits to be transferred and applied to any specific program/major is no longer in place. Unless a college/major has a specific requirement on credit limitations i.e., Lee Business School, College of Education, transfer credits from 2-year institutions should no longer be limited to 60 credits. At least 30 credits of upper division from UNLV are now required to obtain a Bachelor's.

REPEAT POLICY
- Students may retake a CSN course as often as needed to gain a better grade and, thereby, a higher grade point average. Only the highest grade received will count as part of the total CSN grade point average. All repeated courses taken at CSN will remain as part of a student's permanent academic record.
  *PLEASE NOTE: While CSN accepts the BEST grade, UNLV accepts the LAST grade.

- To improve GPA and change the original grade the course must be repeated at the institution that it was completed. For example, if a student takes MATH 124 at CSN and receives an F the course must be repeated at CSN to replace the grade and improve the GPA.

REVERSE TRANSFER
- Students who have earned 15 or more credits at CSN and have transferred to a four-year institution without an associate's degree may "reverse transfer" the earned credits from the four-year institution to complete an associate's degree. This process makes it possible for students to earn an associate's degree as they continue to work toward completing their bachelor's degree.

NOTE: Some courses that fulfill specific general education requirements at CSN may fulfill different general education requirements at UNLV. Please see a UNLV/CSN Transfer Program Advisor to confirm your choices.
