EXPLANATION OF COSTS

1. Comparison prices in Supporting documents. We have chosen the cheapest option which also allows us to have multiple looks. Comparisons can be found in our supporting documents.
2. There is no comparison for Actor's Access membership. This is an expectation of the industry.
3. There is no comparison for IMDB. This is an expectation of the industry.
4. There is no comparison for Direct Submit membership. This is an expectation of the industry.
5. Website pricing is standard for a website domain.
6. We have chosen the cheapest brand from Amazon.com for the self-tape kits compared across different brands and websites. The comparisons can be found in our supporting documents.
7. We have chosen the cheapest brand from Amazon.com for the microphones and headphones compared across different brands and websites. The comparisons can be found in our supporting

documents.

8. To align with our travel dates, we were limited in choosing tickets. However, we did compare across different seats at the same theaters where the shows are being performed and have chosen the cheapest seats. Comparisons for seats can be found in our supporting documents.
