

## TESTIMONIALS

"Collaboration with other regulators is incredibly important, and it is imperative that we all share best practices as well as challenges as commercial gaming and sports betting expand to other jurisdictions."

**Sandra Douglass Morgan**  
Former Chair, Nevada Gaming Control Board

"The ICGR stands along as an objective, non-commercialized source, for credible information and analysis regarding the wide array of complex, nuanced issues associated with the regulation of gambling."

**Chris Grove**  
Principal, Head of Sports & Emerging Verticals, Eilers & Krejcik Gaming, ICGR Fellow

"As a gaming industry regulator for many years, I truly appreciate and value the research and educational opportunities offered by UNLV International Center for Gaming Regulation."

**Mike Noel**  
Chairman, Louisiana Gaming Control Board

"The ICGR is continuing to establish itself as the premier resource for trusted and proven knowledge and expertise related to gaming regulation, and that holds true for Indian gaming regulation as well."

**Kathryn Rand and Steven Light**  
Distinguished ICGR Fellows

"The work of UNLV's International Center for Gaming Regulation powers research, education, analysis, and connection to jurisdictions around the world."

**Thomas A. Jingoli**  
Executive Vice President and Chief Operating Officer, Konami Gaming Co.

"In our industry, getting reliable insights and unbiased expertise is essential for making good decisions on regulatory matters. The ICGR provides access to the critical information that industry professionals need. We are proud to work with ICGR to help bring constituents knowledge they can use to move the industry forward."

**Rick Arpin**  
Office Managing Partner, Las Vegas - KPMG LLP

"The talent and expertise of the ICGR's Core Faculty and Education Partner Network are unparalleled in the industry. It's been an honor to be a part of their educational seminars."

**J. Brin Gibson**  
Chairman of the Nevada Gaming Control Board
